

DESCRIPTION

The Metal Flex Contact Cover is made of transparent TPU, combined with a metallic edge finish. It is lightweight and has an anti-slip texture that improves the grip of the phone. It protects your cellphone from accidental bumps and scratches. Its flexibility makes it easy to put on and remove. It is designed to allow access to all connections, cameras, and ports for your cellphone. Contact is a brand from Atlantis Internacional. It has a complete range of accessories for mobile devices presented in modern packaging at the most competitive price.
